Important Reminders and CHANGES for Spring 2010

Pajamas & Sleepers

- Hang all sleepwear on hangers
- We will no longer have bins for these items, they will sell much better hanging in their appropriate size clothing section

Onesies, Socks, Tights, Infant Mittens/Booties, Accessories

- Package these items in clear self-seal (zip-lock) bags
- Attach multiple pieces together (tagging gun or safety pin) inside the bag
- Don't tape the bag shut (shoppers want to be able to check for stains)
- We are also moving away from bins for these items; you'll see new displays for these items during Consignor Drop Off (again, we're doing our best to sell more!)

High-Priced Diaper Bags, Breast Pumps, Purses, Baby Carriers & Backpacks

- Items priced for \$20.00 or more will be secured to a rolling rack near checkout
- Look for the rolling rack during Consignor Drop Off
- For items under \$20.00, please zip-tie each item to an adult-size hanger

Over 500 Items

- Consignors with over 500 items are asked to volunteer at least 4 hours during Breakdown to help with out sorting process (please sign up online)

Unsold Items - Donate or Pick Up

- Be sure that your tags are marked "Donate" if you do not plan to Pick Up
- We sort all items not marked "Donate" and if we have spent the time to sort your items and you do not come to Consignor Pick Up, items will be donated and a \$25.00 Breakdown Fee will be deducted from your Consignor Check

JBF Sale Policies

- Items without tags will not be sold
- We prefer no kids at Drop Off or while Volunteering (except nursing infants)
- Unaccompanied children at the sale will be given espresso and a puppy!
- Only Consignors who bring merchandise to sell at the sale are allowed to shop our exclusive Presale
- All sales are final
